

ALL KNITTING FOR PREM BABIES SHOULD NOT CONTAIN ANY CABLE OR HOLES IN ANY PATTERNS AS THEIR FINGERS ARE VERY EASILY CAUGHT.

Use 4mm (size 8) needles and baby DK yarn

Patterns welcome if you want to do one but no holes, cable, or anything a tiny baby could get their fingers or toes caught in

Blankets

Cast on 140 sts

Knit until you have a square

Cast off.

Small Squares

Cast on 20 sts

Knit until you have a square.

Cast off.

The blankets need to be made using 6 x 6 squares

Large Squares

Cast on 35 sts

Knit until you have a square

Cast off.

Please sew together 9 of these squares to make a blanket.

DONT WORRY ABOUT SEWING THE SQUARES TOGETHER as we have a lady who has volunteered to do the sewing and she will be able to make up multi coloured blankets of varying sizes.

If you find any problems with these instructions, or if they are wrong and not working, please contact me, Jennie, on 01132383289. I have an answerphone and will get back to you.

Thanks, and happy knitting.
